has successfully completed the online, non-credit Professional Certificate

Soporte de Tecnologías de la Información de Google

Esta certificación de cinco cursos, desarrollada por trabajadores de Google, ha sido diseñada para prepararte para un puesto de nivel inicial en soporte de TI. ¡Piensa en un empleo online o en persona, ya sea en pequeñas empresas o en una compañía global como Google!

The online specialization named in this certificate may draw on material from courses taught on-campus, but the included courses are not equivalent to on-campus courses. Participation in this online specialization does not constitute enrollment at this university. This certificate does not confer a University grade, course credit or degree, and it does not verify the identity of the learner.
